NEVER SMOKE

Angela told my friend, "Try it is water that turns into air." My friend Mia starts to cough. Emma told me. "Do not worry its because the first time you try its spicy." So I believed her and well as you may thinking thats dumb. I tried it. I started to cough like my friend. After that I knew that was the worst choice I made in my life. We went back to class. We both went to get a pencil. She told me her head hurts. I told her my stomach. We sat back down. We were having a 10 minute break. The teacher was correcting some papers. They started using it. Angela sat right behind Mia. I felt bad for her because she had to smell that the whole day. Then we had to do read to self. Me and 6 other girls read a book called Julie of the Wolves. We had a substitute teacher. Angela put her book in her face she took it out and did it again. I thought in my head "Why is she still doing that." We read for 30 minutes then we went to the small gym. Some kids from Mrs.Fernandez class where selling things. The sub (substitute) was talking to the other teacher. Meanwhile Angela and Emma where in the corner
